SHORT DESCRIPTION (50 CHARS)

24/7 Durban Electricians · Solar · R450 call-out

MEDIUM DESCRIPTION (250 CHARS)

EDDA Electrical (Electrical Aid) — 24/7 emergency electricians and solar inverter installers serving Durban North, Umhlanga, Westville and Kloof. R450 flat call-out. COC certificates, DB boards, fault-finding, generators. Registered, SANS 10142 compliant.

LONG DESCRIPTION (800 CHARS)

EDDA Electrical, also trading as Electrical Aid, is a registered, SANS 10142 compliant electrical contractor serving Durban North, Umhlanga, Westville, Kloof and surrounds. We specialise in 24/7 emergency call-outs including late-night response for tripping DBs, hidden faults, geyser failures and complete power-outs. Beyond emergencies, we supply and install full solar inverter systems with battery back-up (Sunsynk, Deye, Growatt), issue Certificates of Compliance, and handle commercial and industrial wiring, shop fit-outs, decommissioning, fault-finding, DB board upgrades, surge protection and standby generators. Flat R450 call-out fee, workmanship warranted for 6 months. Trusted by Edgars, Ferrari Umhlanga, Old Mutual, Shell, DSV, MAN Truck, Clairwood Logistics, Zimbali Resort and many more.
